Things might change when the politicians like Babbitt and Duffy become involved, but without the law on their side it will be difficult to kill the deal.

Should Babbitt come out against Hudson, he will likely find his excuse in Section 151 of the CFR. I would strongly suggest we look into this area of the law to help Babbitt reach his conclusion.

As we know, Governor Thompson remains the key to stopping this effort.

Please let me know if you have any questions.
